

WE PAY YOU TO BUY BRAND NEW

# Appliance Replacement Offer

2-10 Home Buyers Warranty (2-10 HBW) is always working to make your experience better with added perks. With the 2-10 HBW Appliance Replacement Offer, we pay you to buy brand new.

## WHAT is the Appliance Replacement Offer?

When you have a covered appliance breakdown but don't want 2-10 HBW to address it, you can use our Appliance Replacement Offer.

When you submit a service request for an appliance breakdown, you can continue with the traditional service request OR take advantage of our Appliance Replacement Offer.

If you accept the offer, upgrade early with \$100 toward your brand-new appliance and then submit your receipt to us. It's that easy!

## WHY should I accept the Appliance Replacement Offer?

If you suffer an appliance breakdown and you've been eyeing a replacement from a certain brand or with certain features, this offer is for you.

If you'd rather spend time shopping and buying exactly what you want over scheduling a service call, this offer is for you.

If you'd rather spend the cost of your Service Fee on a brand-new appliance, this offer's for you!

**PRO TIP:** Combine this offer with our Appliance Discount Program for even more savings! Get up to 65% off GE and Whirlpool brand appliances. Visit Homeowner Portal for details. [2-10.com/homeowner](https://2-10.com/homeowner)
